Dear Parents,

As a precautionary measure, the schools within the Holtville Unified School District will be closed as of Tuesday, March 17, 2020 and will remain closed until April 17th. We will reassess and inform parents of further closure through auto-dialer and the HUSD website.

We encourage you to keep your child academically engaged by completing the educational packet provided by your child's teacher for the remainder of this week. At this time, we plan for all instructional materials/procedures to be made available to students through the district's website by Monday, March 23, 2020. Please check the website regularly for additional grade level instructions.

Your child is our top priority and we want to ensure their safety.

We appreciate you entrusting your child with Holtville Unified School District and the dedicated staff who care for your children.
