School Description

Finley Elementary School is located in the rural, agricultural community of Holtville, which is located 120 miles east of San Diego, 225 miles southeast of Los Angeles, 40 miles north of the Arizona/California border and 20 miles northeast of Mexicali, Baja California, Mexico. Finley Elementary is a K-5 school and serves approximately 534 students. Finley Elementary School promotes an environment that fosters respectful, responsible students and ensures that every student reaches a high level of academic achievement. This will be determined by state and national standards. We commit to a comprehensive system of support to assure this outcome.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Situated on 14.5 acres, Finley Elementary School was originally constructed in 1920. The campus is currently comprised of 28 permanent classrooms, 15 portable classrooms, a cafeteria and office building, two playgrounds, grassy play areas, a library, and three computer labs. Construction and repairs have been on-going and based on safety and priority. Areas that have been repaired since the most recent facility inspection include the repairs to the auditorium ramp, repair of minor plumbing issues in restrooms and in the kitchen and student restrooms, painting of the library and one of the kinder classrooms, and the addition of sand to the playground areas. Other repairs that have been completed in 2013 include the resurfacing of the basketball courts and repairs to carpets in several classrooms. The facility is constantly inspected by the maintenance and custodial staff and by site and district administration.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

English Learners	65	62	95.4	32.3
Students Receiving Migrant Education Services	24	23	95.8	30.4

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)

Students Receiving Migrant Education Services	59	57	96.61	40.35
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents and the community are very supportive of the educational program at Finley Elementary School. Parents are always invited to volunteer on campus, attend student performances, award ceremonies and various other activities and events that take place throughout the school year. The school has monthly meetings to provide parents with useful information to help them with supporting their child's success in school. Parents are welcome to join the Parents of Finley School (PTO). Parents are also invited to be members of the School Site Council and the English Learner Advisory Committee. Numerous programs and activities are enriched by the generous contributions from the community, local businesses, and service organizations. The Holtville Women's Club, Holtville Rotary Club, Holtville Athletic Club, and local law enforcement provide student recognition and other donations to the school on a regular basis.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of Finley Elementary School. To safeguard the well-being of students and staff, a comprehensive School Site Safety Plan was most recently updated in October 2017. It was discussed with the entire faculty and support staff at the beginning of school in August and again in October. Procedures for what to do in case of an earthquake, fire, or a lock-down are practiced at the site on a quarterly basis. All guests to the campus must sign in at the office and wear a visitor's badge at all times. Supervision is provided to ensure the safety of each student before and after school, during lunch and during recess. Supervision is a responsibility shared among the school administrator, counselor, teachers and school personnel.

Professional Development provided for Teachers

Professional development is an on-going process in the Holtville Unified School District Staff members participate in conferences and workshops throughout the school year. The District provides early release Wednesdays in order to provide all staff with training in areas of need, curriculum development and alignment with the California Standards. The District has increased the number of days designated as staff development in order to keep pace with the changing state requirements and the implementation of the California State Standards. Teachers are given release time to work with colleagues in order to look at student data and make changes, as needed, to their lessons in order to prepare all students to meet or exceed state proficiency levels. The focus of professional development continues to be in the areas of math, English Language Arts, and EL improvement. Administrators work closely with other district administrators as well as with the Imperial County Office of Education. Teachers are provided feedback from administration and an on-site teacher resource coach.

Types of Services Funded

Holtville Unified School District provides options for parents and students at four sites: Holtville High School (9th -12th); Holtville Middle School (6th – 8th); Pine School (K-8th); and Emmett S. Finley School (K-5th). In addition, we offer an alternative/continuation high school at Sam Webb High School and Freedom Academy, which is a school of choice. We offer many extra-curricular activities such as band, clubs and sports for our students.

Finley Elementary School offers the ASES after school program which includes: after school homework center, tutoring, and enrichment activities, such as Science, Technology, Engineering, and Mathematics (S.T.E.M.), cooking and baking, art, board games, sports, dance and gardening. Finley offers the G.A.T.E. – Honors program for enrichment and 5th grade band. Finley also offers a Dual Immersion Program (English/Spanish).

The district also offers College Begins in Kindergarten (CBK) as a summer program. AVID (Advancement Via Individual Determination) strategies and college readiness skills have been implemented district wide. All sites within the district offer tutoring opportunities for all students.

Holtville Unified also has a very active Migrant Education Program, which allows students to receive extra tutoring, trips to colleges, and participation in activities such as the Migrant Speech and Debate teams. We have an adult education program which offers ESL, a high school diploma, citizenship and English classes. We have a full transportation department that transports students to and from school as well as our athletes to and from activities. We have a full time nurse for the students as well as two nurse's aides to provide for the health of our students. We are continually looking at the best uses for all funds to meet the needs of our students.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
