Homework centers, sports, and tutoring are coordinated by teachers and tutors every day, after school. Holtville Middle School participates in the Imperial County Elementary Athletic Association and offers Soccer, Volleyball, Basketball, Softball, and Flag Football. In addition to sports, ASB creates an engaging environment by running clubs such as Flags, Shields, and Cheer and hosting student-led events such as dances and field days.

To teach students 21st skills and prepare them for an innovative college and career understanding, Holtville Middle School is moving towards a one-to-one device instructional model. Classrooms are equipped with state-of-the-art equipment such as computers, projectors, wireless access points, Apple TV's, wall mounted 60" TVs, and other electronics. Google Chrome, Microsoft programs, and other software support some of their technological goals.

In November of 2018, Holtville Unified School District administered a parent survey and parents responded strongly that they feel their school is clean and well maintained. In addition, parents felt they had input, were able to communicate with staff, and were well informed. In August of this year, a Holtville Unified Administrative team performed a FIT, Facility Inspection Tool, where they walked through the campus and inspect it based on several points, and Holtville Middle School was rated as "good." Holtville Middle School enjoys a large volunteer group of people consisting of parents, grandparents, local community members, social groups, clubs and organizations, public and private organizations and businesses, as well as the fire and police departments. Holtville Middle School promotes a safe and fun learning environment that fosters respectful and responsible students and ensures that every student reaches a high level of academic achievement through their school foundations. The school foundations are Prepared, Responsible, Integrity, Determined and Engaged (P.R.I.D.E).

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Situated on 20.4 acres, Holtville Middle School was originally constructed in the 1960's. The campus is comprised of 18 classrooms, a cafeteria, an office building, two athletic fields, a pair of locker rooms, a library, and three computer labs. All damages caused by the 2009 earthquake have been repaired. In 2017, the blacktop areas were updated with concrete and a new full-size basketball court and two volleyball courts were added for additional recreation use. The facility is constantly inspected by the maintenance and custodial staff and by site and district administration. The facility strongly supports teaching and learning through its ample classroom and recreational space.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Opportunities for Parental Involvement (School Year 2020-21)

Holtville Middle School offers many opportunities for parent and community involvement. Parents and community members are encouraged to participate in and be members of the School Site Council and the English Learner Advisory Council. They are welcomed and encouraged to be volunteers for events, assist with fund raising activities, and be chaperones for various school events. The parents and the community are very supportive of the educational program at Holtville Middle School.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is a primary concern of Holtville Middle School. To safeguard the well-being of students and staff a comprehensive School Site Safety Plan was most recently updated in January 2021. It was discussed with the entire faculty and support staff at the beginning of school in September and again at the end of the semester in January. Procedures for what to do in case of an earthquake, fire, or a lock down are practiced at the site on a quarterly basis. All guests to the campus must sign in at the office and wear a visitor's badge at all times. Supervision is provided to ensure the safety of each student before and after school, during lunch and at breaks. Supervision is a responsibility shared among teachers and school administration. Safety plans are published on each school's web site, and made available to all stake holders. A printed copy of the Comprehensive School Safety Plan is available at each school site and on the District web site located at www.husd.net.

Holtville Unified School District provides options for parents and students at four sites: Holtville High School (9th -12th); Holtville Middle School (6th – 8th); Pine School (K-8th); and Emmett S. Finley School (K-5th). In addition, we offer an alternative/continuation high school at Sam Webb High School and Freedom Academy, which is a school of choice. We offer many extra-curricular activities such as band, clubs and sports for our students.

Holtville Middle School offers the ASES afterschool program which includes: after school homework center, tutoring, Math, Engineering, Science Achievement (MESA), robotics, art, sports, cooking and baking, band and drill team. HMS also offers a Dual Immersion Program (English/Spanish).

The district also offers College Begins in Kindergarten (CBK) as a summer program. AVID (Advancement Via Individual Determination) strategies and college readiness skills have been implemented district wide. All sites within the district offer tutoring opportunities for all students.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
